CE – Declaration of Conformity

DIN EN 12899-1 : Construction products Orafol retroreflective films
Oralite® 5710 and Oralite® 5810

Certificate no.: 0913 – CPD – 2009/035

Certificate no.: 0913 – CPD – 2009/001

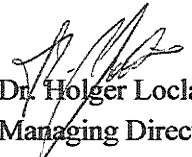

Orafol Europe GmbH attests conformity of the films manufactured and delivered by Orafol Europe GmbH according to DIN EN 12899-1:2008 (02) Annex ZA.1 Table ZA.1 with the harmonized European standard DIN EN 12899-1.

Orafol Europe GmbH is authorized to manufacture these products and has been certified to do so by StrAus-Zert e.V., the notified body.

The requirement class for photometric properties is indicated for each product on the delivery note.

Orafol Europe GmbH provides processing specifications which should be complied with.

StrAus-Zert e.V., Steinhausstrasse 79, 58099 Hagen, is the inspection, supervision and certification body that carries out the initial inspection of our company, the initial assessment of in-house production controlling and the initial test of the product as well as continuous monitoring. StrAus-Zert is the notified body of the Deutsche Institut für Bautechnik (*German Institute for Structural Engineering*) in accordance with the German construction products law (*Bauproduktengesetz*).
