

Adhesive Tape Systems

Strong bonding solutions with AM2 tapes

The ORAFOL best selling AM2 double sided tape range is available with easily recognisable colour liners, providing a range of products with outstanding bonding performance to a wide range of different substrates and surface structures.

With tapes from ORAFOL you are guaranteed the highest product quality backed with years of experience in the market.

AM2 adhesives:

- Long lasting, durable bonding solutions
- High performance modified acrylic adhesive
- Excellent high temperature shear resistance
- Aggressive bond to low surface energy materials
- Plasticiser resistant
- Good environmental features and UV resistance
- Guaranteed ORAFOL back up
- Available as slit rolls and spools
- Colour coded liners

Engineered to Perform Better™
