Disclaimer:

By signing this agreement you have acknowledged that you have tested ORAJET® and ORAGUARD® materials and you have deemed them suitable for your intended applications. In addition to the stated OCS™ warranty information, you have fully read and understand any and all processing and handling instructions as referenced in published technical sheets, product bulletins and installation instructions that pertain to ORAJET® and ORAGUARD® materials. These documents can be located in the Support section of the ORAFOL Americas website or by emailing techsupport-americas@orafol.com.

Once this form has been completed, you will be contacted by a Senior Technical Support Representative who will review your information and assist you in moving forward with the remainder of the OCS application process. Once you have submitted all required OCS printed and laminated samples to ORAFOL Americas for review, you will receive an email confirmation stating that your OCS warranty application process has been approved or rejected. Your OCS warranty is not valid until you have received the authorized warranty certificate. If you have any questions please call 888-672-2251 extension 168 or 176. ORAFOL Americas reserves the right to revise suggested warranty information or discontinue this program at anytime without notification. It is to your benefit to periodically review the OCS warranty information at www.oracal.com for any revisions that may have been made.

ORAFOL Americas would like to thank you for your participation in our warranty program and look forward to supporting you with the best customer service and products in the industry!
