ORATAPE® HT55 Application Tape

The *Tried & True Paper* Application Tape!

ORAFOL's *most popular* application tape designed to perform with *all* ORACAL® **Matte** and **Gloss finish** plotter films.

Product Features

Benefits

Available Widths (in inches)

6.5, 12, 14,
24, 30, 48, 54

Available Lengths (in yards)

100

Specially Formulated **Adhesive** = Designed to work cohesively with *both Matte & Gloss finish* plotter films

Specially developed to work on *hard-to-stick Matte finish* plotter films

Paper Application Tape = *Easily* pick up and transfer graphics of *all types* – from **bold, large format** graphics to **small format** graphics with **ornate** and **delicate details!**

High level of **Dimensional Stability** = *Precise* graphic registration and placement

Semi Transparent opacity = Allows installers to register and place graphics

No Adhesive Legging = **Dependable adhesive** that stays with the paper and *not* the graphic!

Exceptional **Liner Adhesion** = **No risk** of “*dog earing*” or “*tunneling*” when shipping graphics cross country for an off-site installation

Achieve exceptional release liner adhesion when applied to the air-egress liner of ORACAL® 751RA *RapidAir*
