## Prüf-, Überwachungs- und Zertifizierungsgemeinschaft der Straßenausstatter

Notifiziert unter 0913 durch DIBt nach BauPG

## **EC** Certificate of Conformity

0913 - CPD - 2013 / 05

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Microprismatic Retro-reflective Sheeting ORALITE® 6910 Brilliant Grade, Native Colours for fixed, vertical road traffic signs, (modalities attached),

placed on the market by:

ORAFOL Europe GmbH Orafolstrasse 2 D-16515 Oranienburg Germany

and produced in the factory:

Werk Oranienburg Orafolstrasse 2 D-16515 Oranienburg Germany

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approval body (AB) - Deutsches Institut für Bautechnik (DIBt) - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and that the notified body No. 0913 - Prüf-, Überwachungs- und Zertifizierungsgemeinschaft der Straßenausstatter (StrAus-Zert) - performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the ETA

## ETA 13/0247, valid from 2013-05-17 to 2018-05-17

were applied and that the product fulfils all the prescribed requirements. For detailed information in relation to the performance characteristics of the product, the ETA itself, mentioned above, should be consulted.

This certificate was first issued on June 13<sup>th</sup> 2013 and remains valid until the date of expiry of the ETA as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Hagen, 13 June 2013
