Attention: Mr Etienne Smit

Dear Mr Smit

RE: ORALITE RETRO-REFLECTIVE VEHICLE MARKING MATERIAL.

Please note that the NRCS, as the Designated South African Administrative Department to the UN World Forum for Harmonization of Vehicle Regulations, and as signatory to the UN ECE 1958 Agreement, accepts the documented approval (Approval numbers: E4-104R-00 0001 and E4-104R-00 0002) to UN ECE Regulation 104 "Retro-reflective markings for vehicles" for the material manufactured by Oralite, known as "Oralite VC 104+Rigid Grade Imagine", as recorded on the RDW test reports.

The NRCS further acknowledges that the material meets the requirements of the Road Traffic Regulation 192A "Side and rear retro-reflective material to be fitted to vehicles (contour or strip marking)".

Kind regards

Steve Morgan
