

Product Description

It is a silver/metalized double-layer window film series for buildings in ideal thickness, offering different tone options. These films are produced with advanced technology for **exterior** applications. Use of ORACAL® Commercial S Series in vehicles is **inconvenient** due to mirror effect. These films provide ease of application when right methods and equipment are used.

Release Paper

Silicone-coated transparent polyester on one side (silicone: 0,25g / m²)

Adhesive

Acrylic copolymer, repositionable, transparent
