# Ultra High Bond (UHB)

Acrylic Foam Tapes

Engineered to Perform Better™

**ORABOND® UHB - (Ultra High Bond)**  
**High-performance bonding solutions**

The high-performance ORABOND® UHB - (Ultra High Bond) acrylic tapes are the latest addition to ORAFOL's double-sided adhesive tape portfolio.

The UHB-Range is currently available in white, grey and clear, as well as in various standard sizes.

The **viscoelastic acrylic (foam) core** of these products is designed to offer best results for highly demanding, permanent bonding applications on most surfaces.

Thanks to their **viscous (flow) properties**, the ORABOND® UHB Tapes mould perfectly even to rough and structured surfaces. Thus, they reach very strong and load-bearing adhesion levels, whilst at the same time protecting the surface against external agents, e.g. humidity.

The **elastic qualities** of the ORABOND® UHB Tapes enhance the inner strength of the tapes, allowing a high absorption capacity of dynamic forces, e.g. shock and impact.

## Product overview

	UHB03025T	UHB03050T	UHB03100T	UHB03064W	UHB03110W
<b>Colour</b>	Transparent	Transparent	Transparent	White	White
<b>Thickness</b>	0,25 mm	0,50 mm	1,00 mm	0,64 mm	1,10 mm
<b>Liner</b>	red PE-Film with white ORAFOL Logo (130 µm)				
<b>Density [g/cm³]</b>	1,00	1,00	1,00	0,85	0,85
<b>Standard roll width</b>	12 mm / 19 mm / 25 mm				
<b>Standard roll length</b>	33 m				
<b>Key properties</b>	High-strength bonding of transparent materials needing an "invisible" joint			High performance bonding and mounting of light surfaces	

	UHB03080G	UHB03110G	UHB 04064G	UHB 04150G	UHB 04200G
<b>Colour</b>	Grey	Grey	Grey	Grey	Grey
<b>Thickness</b>	0,80 mm	1,10 mm	0,64 mm	1,50 mm	2,00 mm
<b>Liner</b>	red PE-Film with white ORAFOL Logo (130 µm)				
<b>Density [g/cm³]</b>	0,85	0,85	0,78	0,78	0,78
<b>Standard roll width</b>	12 mm / 19 mm / 25 mm				
<b>Standard roll length</b>	33 m			25 m	16,5 m
<b>Key properties</b>	High performance bonding and mounting of dark surfaces		High performance bonding and mounting of dark surfaces with a lower product weight		

\* Possible roll widths from 3mm depending on series. Contact ORAFOL for further information.

## UHB-Primer

The **ORABOND® UHBPrimerA & B** are versatile adhesion promoters enhancing adhesive power of ORABOND® UHB foam tapes and other ORABOND® products especially on difficult-to-bond elastomers. **ORABOND® UHBPrimerB** additionally contains a UV-marker.
